I fly through the sky, through the air, through the trees,
My wings touch the clouds as I float on the breeze.

Then with grace and devotion I swoop to the ground
Seeing the beauty and beasts not found.

My friends are the moon and the stars up above.
They keep my hopes high, and they teach me of love.

I have never missed my friend, the sun rise
And I've seen all the beauty there is with my eyes.

The nights are so cold, yet it's comforting to know
That when I do fly, I am learning to grow.

So I spread my wings wide, and I leave from my spot,
Knowing I'm gone, but forgetting it not.

A Thought from Wanita Moody

The time has come for you to make an impact on the world, for you are a creation with a unique personality. You have the ability to follow your goals and dreams, but it is now up to you to prove yourself.

There is a road to success, but it won't be found if you don't follow the examples set by others. I hope that each and every one of you has the opportunity to attain your goals.

Restless Wheel

So we sit, as the wheel turns
like the days of our lives,
or, the young and the restless.

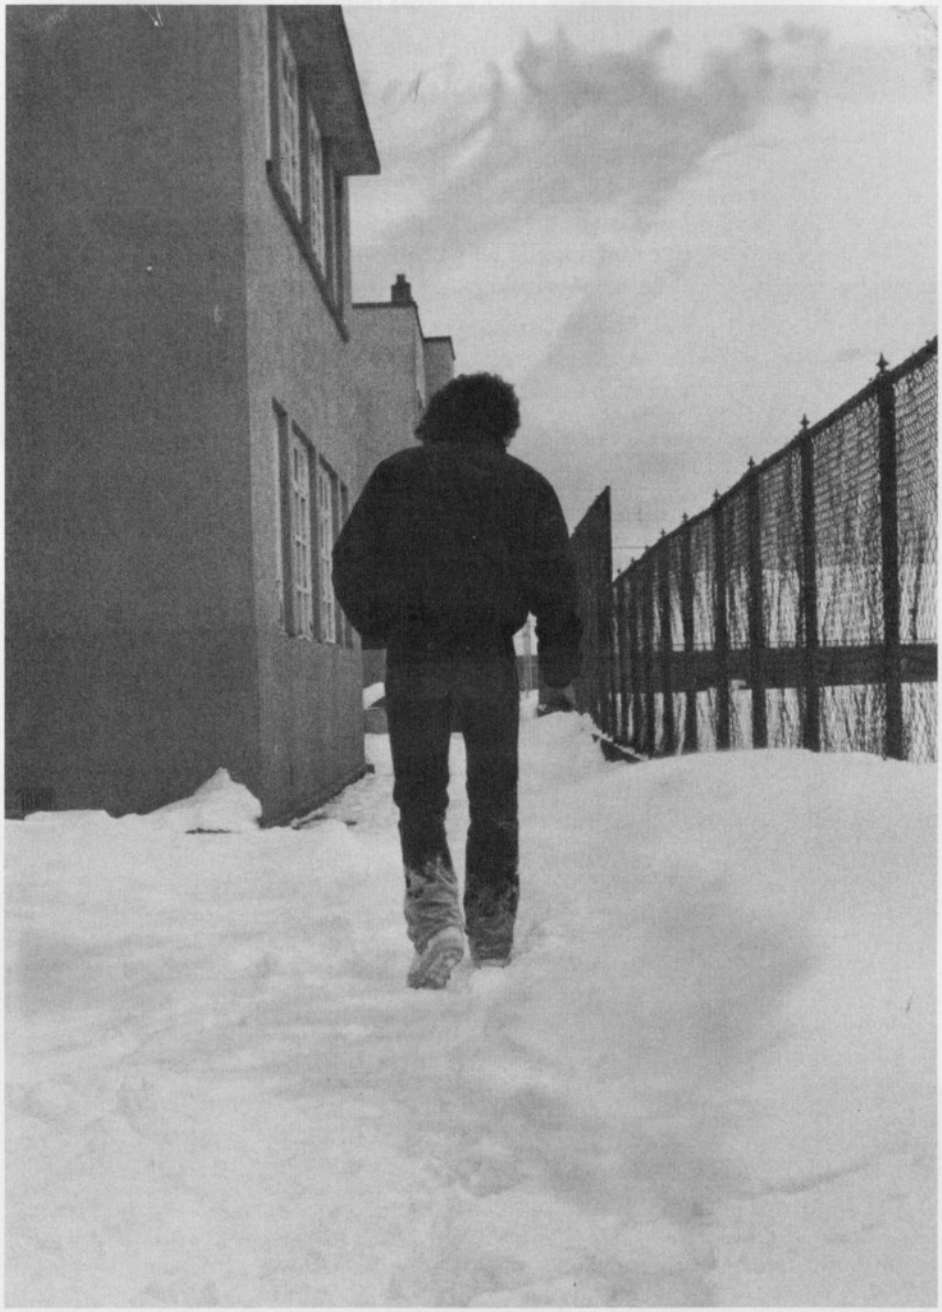
And we wonder, smoke,
Joke,
Our time lost, hectic, beautiful.
Good will wait until tomorrow.

So we sit as the wheel turns
like muffins and jelly beans —
the total view never seen.

Stuffing muffins and petroleum dreams
into General Hospital's script.
Tripping up everywhere, where
restless souls cannot grasp
Peace.

So we sit, as the wheel turns.

by Karl Jacobson



As I walk through the misty gates of winter, the tunnel flows through till a light shows the way to the beginning of spring where a thousand different shades of colour form an outline to follow. Birds, at the mercy of airflow patterns, live in their own world amongst the heights of the wilderness, preying on the insect world below, creating their own families, new species. As I look toward the heavens I can see the timed life flowing through the brisk wind amongst the fir tree tops. Stars cry outside the planets, forming the zodiac symbols, creating the moods and funneling our lives into meaningful forces clashing on this lonely planet of ours. We are not the only life force in the vast universe. They are watching us with undiminished interest.

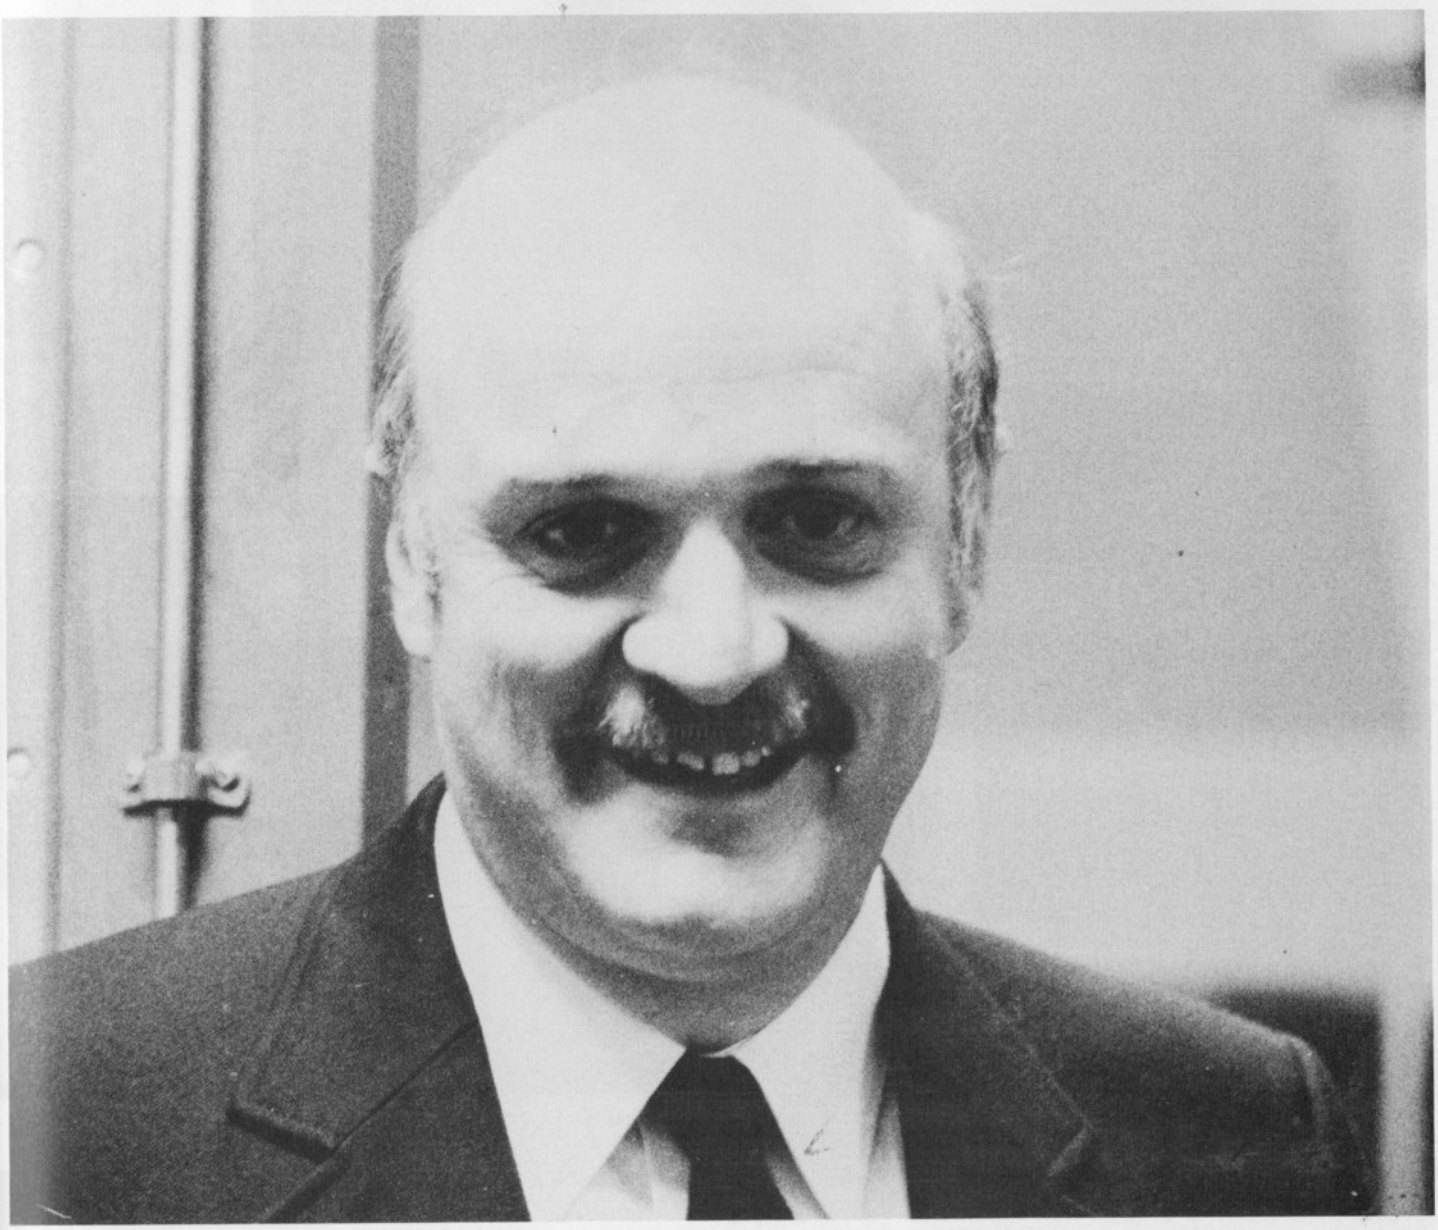
Principal's Message



Dear Students:

The 1985-86 school year has been, for the students and staff of Vic High, a year of significant achievement. I am very grateful to the students and staff who have prepared this Annual for recording the activities of this year in this volume. This yearbook will assist all of us in maintaining the feelings of pride, affection and friendship we have enjoyed during this year at Vic High.

I wish to take this opportunity to wish the 1986 Graduating Class the very best of luck in the future.

Your sincerely,

D. Wakins,
Principal.

CLUBS AND TEAMS

Recognition Ceremony Committee

Aerman Cheung, Barry White, Warren Quan, Maria Heard, Liz Monez, Susanne Baslee, Mabel Wong. Missing: Debra Broughton, Michael Mok.

The Recognition Ceremony Committee has been actively working with a teacher committee on the Recognition Ceremony since January. They have had numerous jobs and decisions to make to prepare for the festivities in June. They have selected the grad gift for the school, selected jacket and T-shirt styles for sale to the grad class and worked with Mr. Rittel regarding the musical selections for the ceremony. They have had input into the format of the ceremony itself.

The students will be assisting the teacher sponsors with fee collection and seat selection for the ceremony.

The student committee has been solely responsible for the organization of the dinner and dance at the Oak Bay Marina. They have been a busy group working for the whole "grad" class of '86.

Boys' Soccer

Top Row (Left to Right): P. Denby (Coach), Tony Gill, Bill Hodgeson, Darren Baxter, Sauger Takhar, Brad Burton, Hiue Nygayan. **Middle Row:** Hart Dhillon, Ron Perlstrom, Stan Choinaki, Ken Douglas. **Front:** John Medeiros.

This year's Tyees finished higher in the league than any team in the past three years. Tony Gill and Ron Perlstrom produced some excellent attacking plays.

Boys' Floor Hockey Champions

Congratulations to the Vic High Floor Hockey Champions. Team Members: James Ahn, Ken Douglas, Barry White, Darren O'Neil, Troy Davies.

The Badminton Club

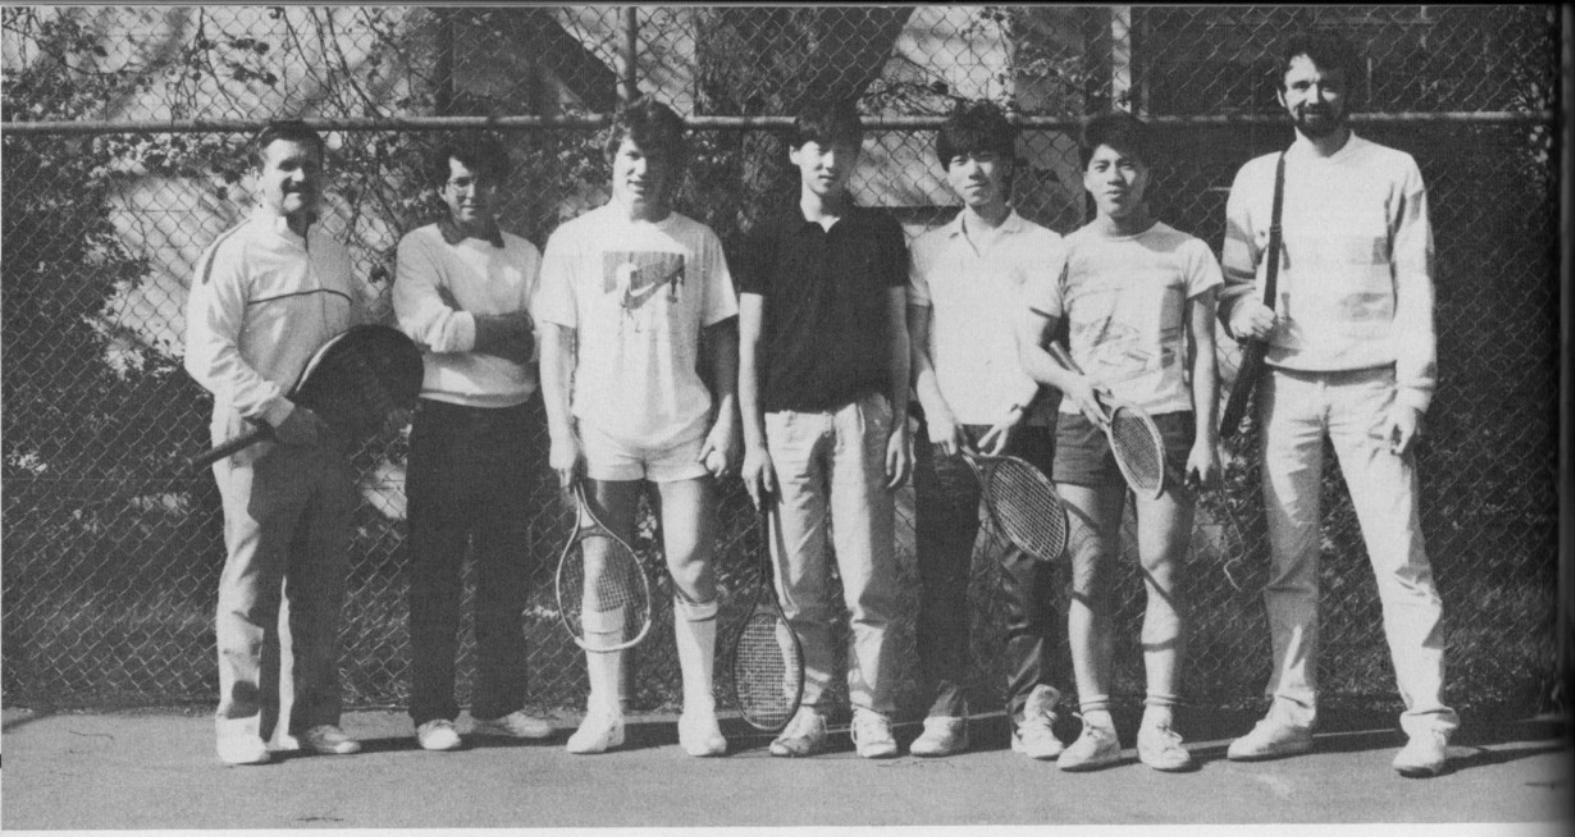
Vic High had an excellent year, finishing third in the city with a 6–2 win–loss record. The girls were especially strong and impressive in winning the majority of their matches. We were one of two teams representing Vancouver Island at the B.C. Finals, and there we placed twelfth in the province. The team showed character and sportsmanship throughout the year, and the mutual respect and comradeship that existed was a treat to behold. Many thanks and best wishes to the following team members who will be leaving high school competition: Sam Ahn, Warren Chan, Herman Cheung, Mike Mok, Sam Adjira, and Pam Cheung.

Badminton Team Representing the Island in the B.C. Badminton Championships

Back Row (Left to Right): Herman Cheung, Warren Quan, Ben Li, James Ahn, Sam Ahn, Edmund Cheung. **Front Row:** Mike Mok, Alex Adjira, Lora Quan, Linda Scott, Wally Dilay. **Missing:** Vickie Lee, Surinder Basi, Pam Cheung, Julie Chan.

Aerobics Club

Left to Right: Cynthia Lee, Joanna Janaczek, Sara Lynn Layton, Della Rutherford, Leigh Anne Blackie.



The Tennis Club

Although we did not have enough girls to form a mixed team, the boys' team will be playing matches with Spectrum and Reynolds. Mr. Johl, Mr. Enright, and Mr. Brice were the sponsors.

From Left to Right: Mr. Brice, Mr. Johl, Spence Villan, James Ahn, Sam Ahn, Yudi Lee, Mr. Enright.

Video Club

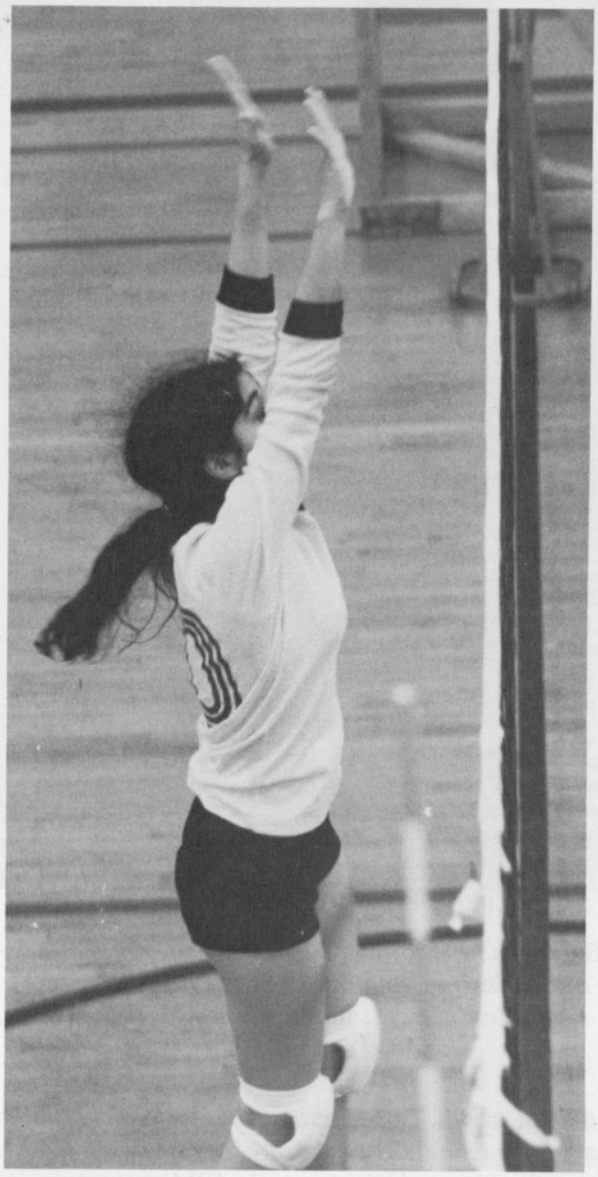
A small, but enthusiastic group met daily in room 311 to see a variety of movies. Comedies like "Spring Break" and "Heaven Can Wait" were light relief from a galaxy of science fiction specials like "Tron" and "Star Trek II". Also shown were action-packed movies like "The Terminator" and "American Ninja". Club members were: Alan Walker (President), Dirk Mitchell, Aster Abbai, Don Gibbs, Marcus Mcgregor, Steven Reimer, and Doug Brown. Mr. Owen was the sponsor.

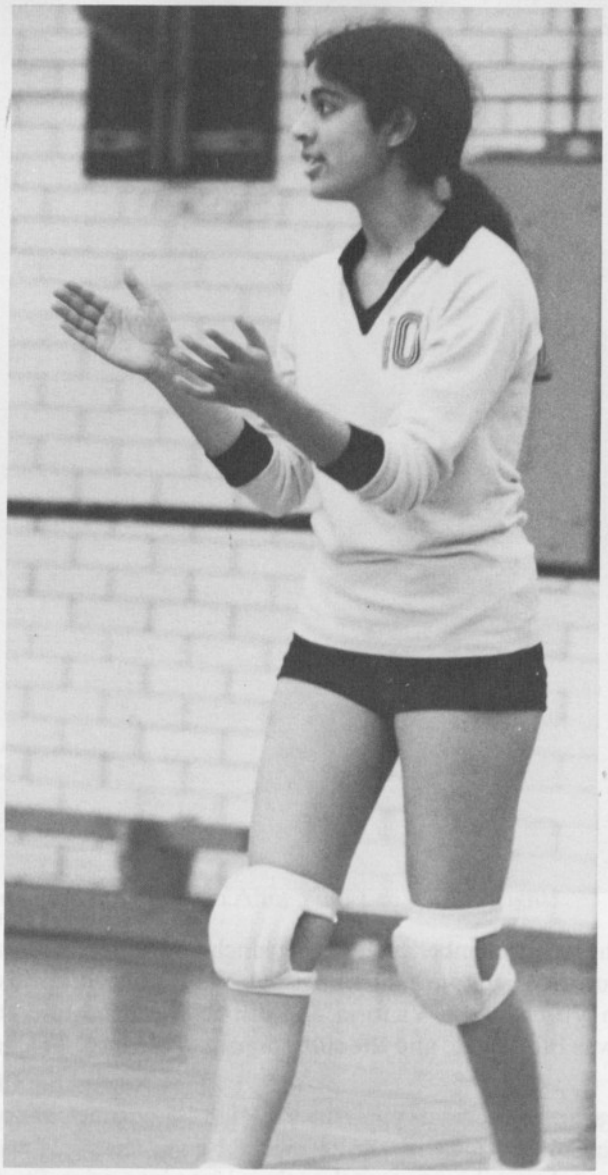
Chess Club

The chess club members met during lunch hours and on Friday afternoons for informal social chess games. Charles Yee won our Vic High tournament. Also, a Vic High team consisting of Charles Yee, Edmond Cheung, Warren Quan, and Luyen Vu entered a Victoria and district weekend inter-high school tournament, and placed third. The club president was Bill Nance, and the club sponsor was Mr. J. T. Chell.

Newspaper Club

After a lapse of several years, the Vic High Camosunet reappeared in the school. Three issues of the newspaper were published in conjunction with the Fernwood News. The paper was small, but it required a great deal of organization and learning by club members to translate their ideas into print. Students involved learned how to use the IBM computers, how to paste up pages, and how to operate the large photocopier at the Fernwood office. The editor was Debra Broughton, and other members included Karl Woodward, Paul Beauregard, Robert Lane, and Geoff Hewett. Club sponsor was Mrs. Shevloff.





Girls' Volleyball — Tikis

Our girls' volleyball team had a very successful season. The girls worked hard with their coach Miss. Blackstock, to produce a competitive team.

The team finished fifth in league play, but defeated Mt. Doug in its final league match to send them into the playoffs. In the playoffs, all of the girls played their best games of the season. Our captain, Vicki Lee, ran the offense, and Linda Scott supplied some strong spiking to lead the team to an impressive second place finish.

Not only did the team qualify for the Island Tournament, but Victoria High School hosted the event. The team received great support from the staff and students of the school, especially from Mrs. Egan and members of the Community Recreation Class who helped with scorekeeping and lining duties.

The team was a great credit to the school, finishing a commendable fifth in the tournament and winning the Most Sportsmanlike Team Trophy. Well done Tikis!

Team Members: Vicki Lee, Linda Scott, Surinder Bains, Lora Quan, Maria Heard, Norma Smith, Mahnlin Jiang. Coach: Miss Blacksstock; Manager: Kim.

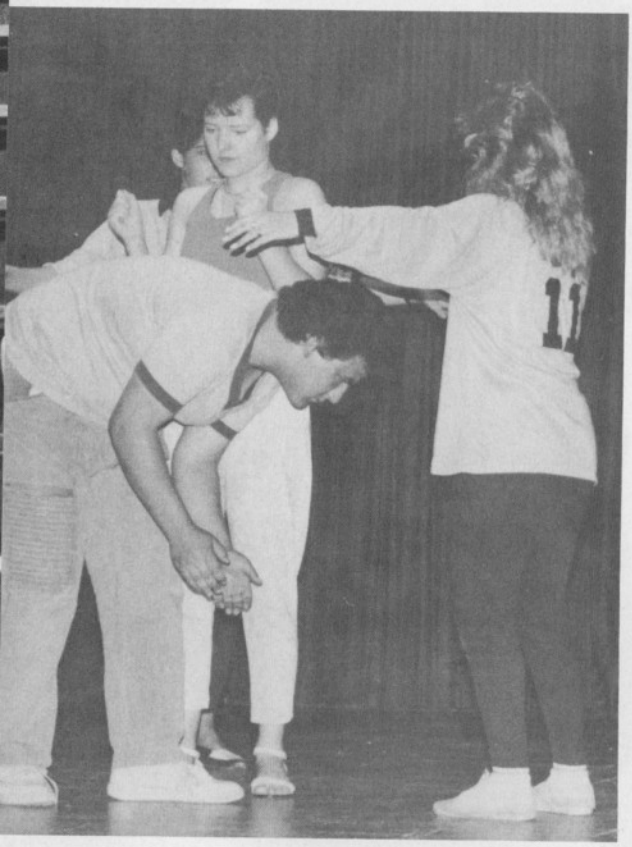
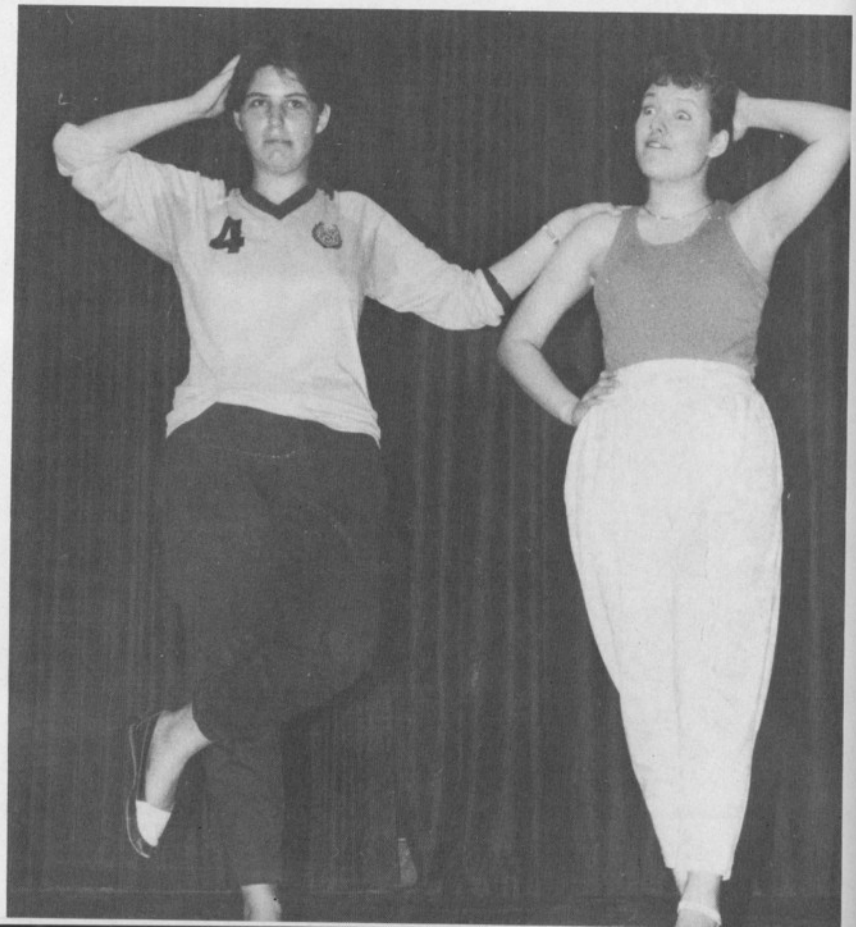
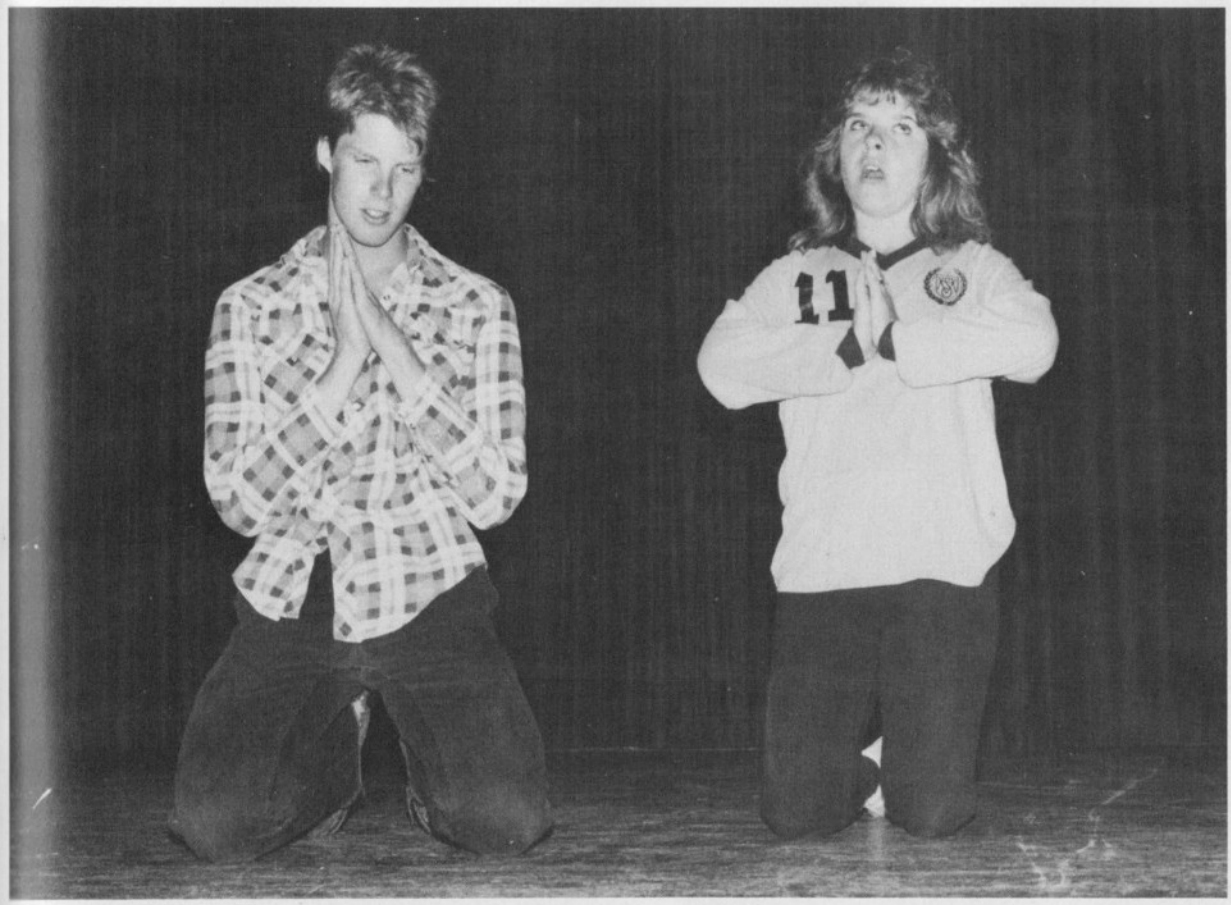
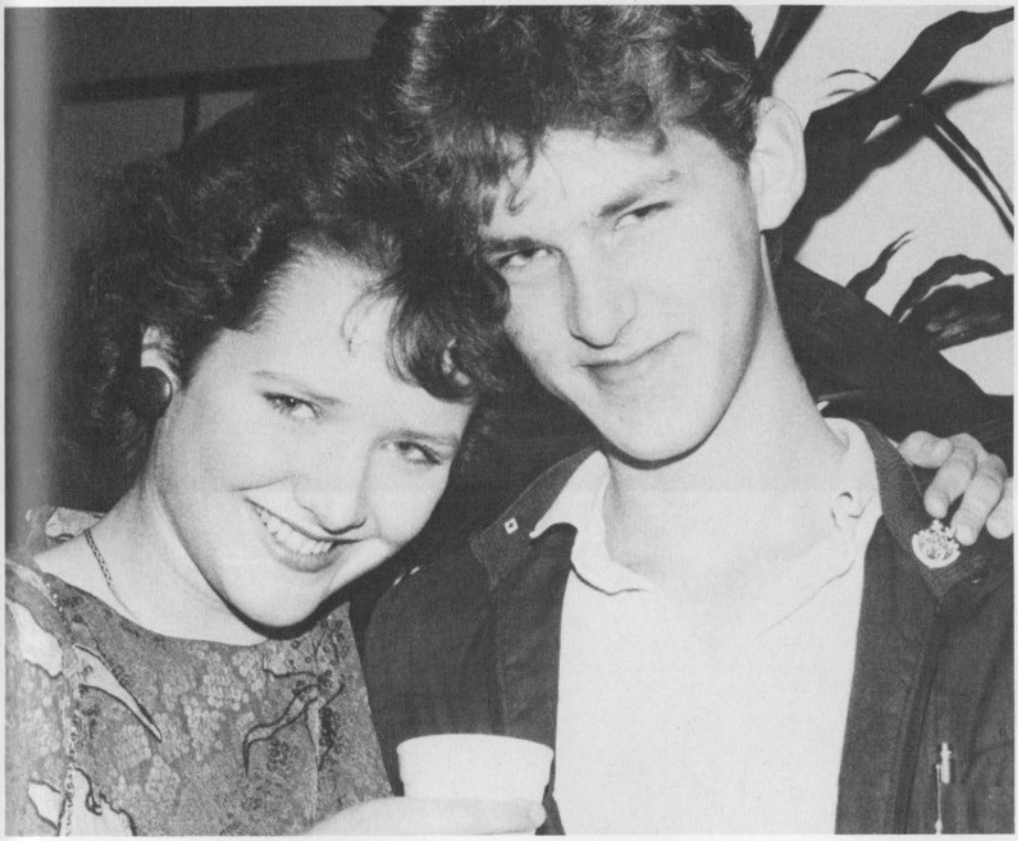
(Lower Left Photo) The Totems had a very successful exhibition season. Clint Bilton and Wayne Davies had several high scoring games. Finally we defeated the Victoria Police Team.









The club was made up of a very enthusiastic and crazy bunch of students, who wanted to spread their craziness and laughter across the campus.

Choral Concert

On May 20, 1986, the Vic High Choir sponsored a district-wide choral concert in which vocal performing groups from Mt. Douglas High School and Lornbrick Park Secondary participated, as well as the Concert Vocal Ensemble from Bellflower High School, in Bellflower, (southern) California. It was a most beneficial experience for all involved as a year's work from all of the groups were showcased to the public.

Choir

Choir

The 1985-86 school year was very positive and rewarding for members of the Vic High Choir. A recording, and numerous performances highlighted a terrific year of learning. The Choir hosted a School District-wide Choral Concert, participated in The Greater Victoria Music Festival, and performed at the March 5th Vic High Parents' Night.

The Choir received great recognition from the student body at Vic High, and the participation in the Choir numbered as high as 45 — with 11 guys!

It was a most rewarding and enjoyable year.

Girls' Soccer — Tyettes

This year the girls' soccer league was split into two divisions. Victoria High played in the North Division. In six matches, the team had three wins and three losses. Vic High defeated Parkland 4–2, and Spectrum B 7–1, and lost to Claremont 8–1, Mt. Doug 3–2, and Stellys 5–1. That put the team in fourth place, and they resumed play in Division II for the remainder of the season.

At a strong start with wins over Parkland 4–1 and Reynolds 4–2, the team dropped a 4–0 decision to Belmont and finished the league with a 5–0 win over Pacific Christian.

When the dust had settled, Vic High were second in the division and matched with Reynolds in the first round of the playoffs. It was a very windy day, but Vic High prevailed on a single goal by Dawn Marie Sharp to win 1–0, and move on to the Division II final against Belmont.

In the final, the girls took the challenge like true champions and scored a convincing 5–2 decision. Janet Chelini scored 3 goals, Dawn Marie Sharp scored 1, and Stephanie Trach scored her first of the season. Well done, Tyettes!

Editor's Message

It's been a long and tedious year, and the entire Annual Club would like to thank all the students who were responsible for making this school year a memorable one. Special thanks to Mr. Bowes, Ms. McDonald, and Mrs. Shevloff for their assistance.

Message from the President

As everyone said it would, the year flew by quickly, but the experiences that I have had this year will always seem as though they happened just yesterday. I have learned so much from all of the great people I met this year, and they all made my term very special.

A special thanks must be given to Mrs. Egan, Mr. Watkins, Liz Moniz (the vice-president), and all the staff for their advice, support and understanding.

My three years at Vic High have been the best possible, and I will miss everyone very much.

I wish the future president as much enjoyment and happiness as I have had. I know they will feel as I do when their term is over.

Again, many thanks to all of you, and the best in your futures.

Valedictorian's Message

It has been a pleasure to serve as Valedictorian for the 1986 Grad class. Trying to write a speech to reflect the feelings of two hundred very different people was a big pressure. I hope it went well. May we all achieve a greater understanding.

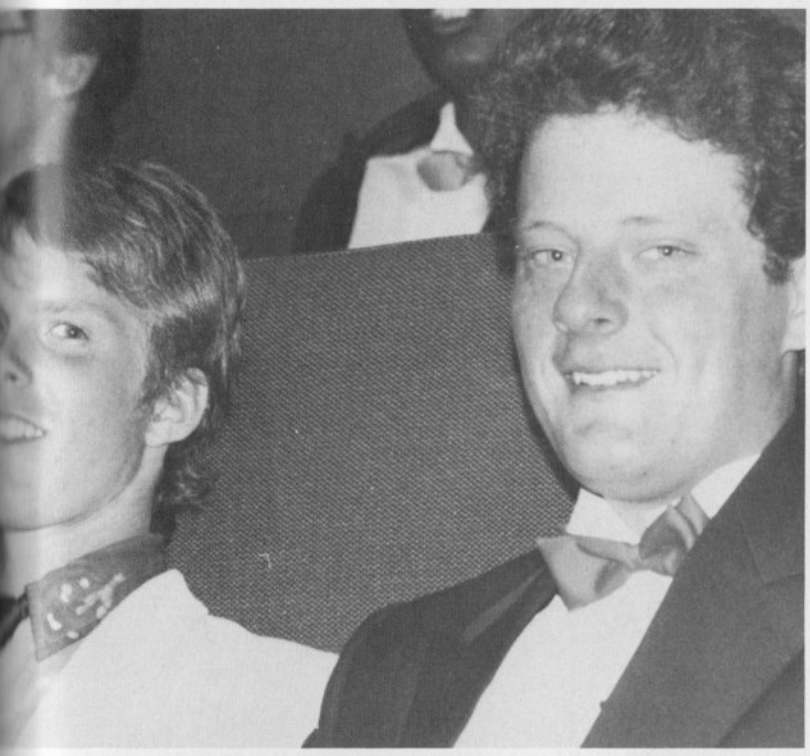
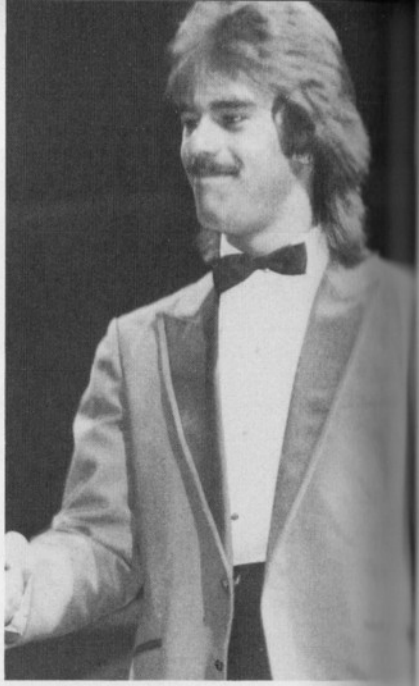
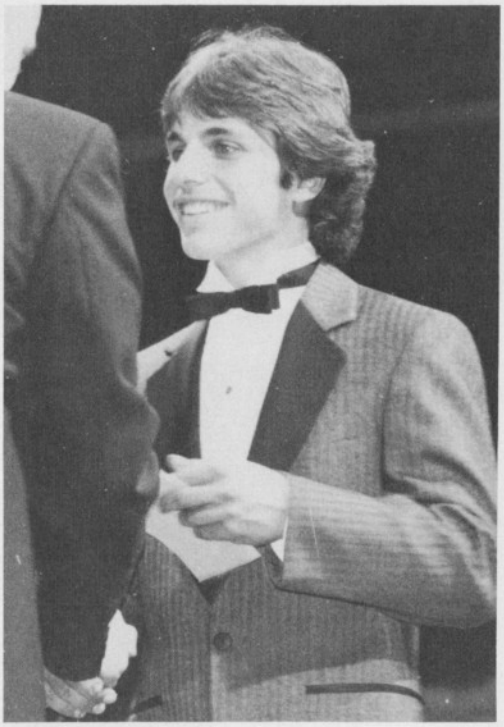
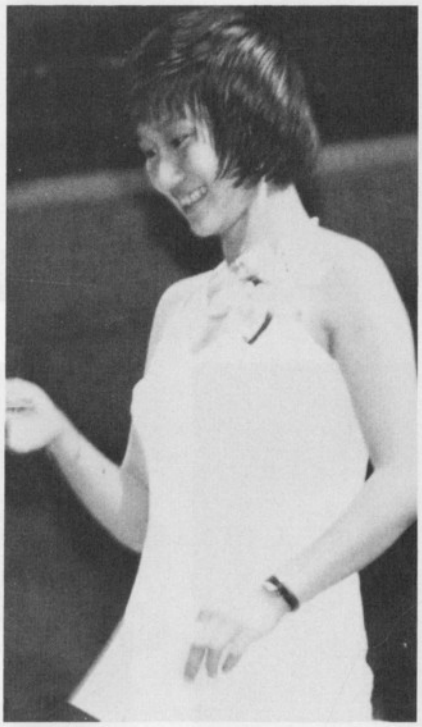
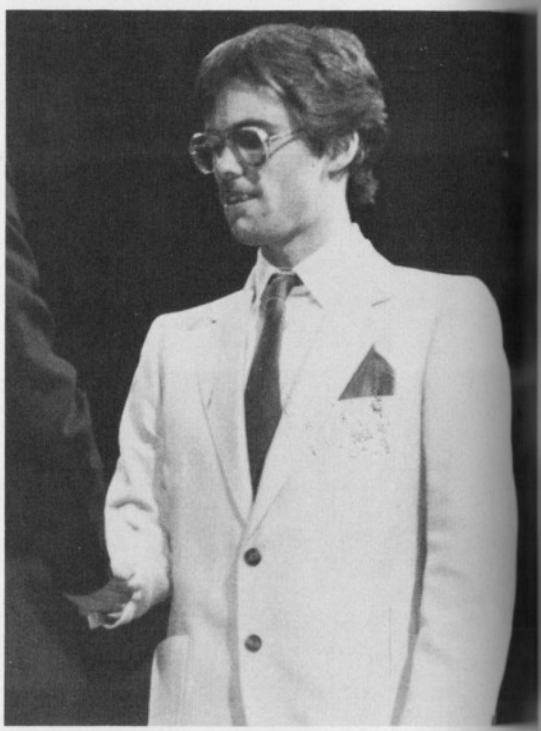
UNIVERSIT

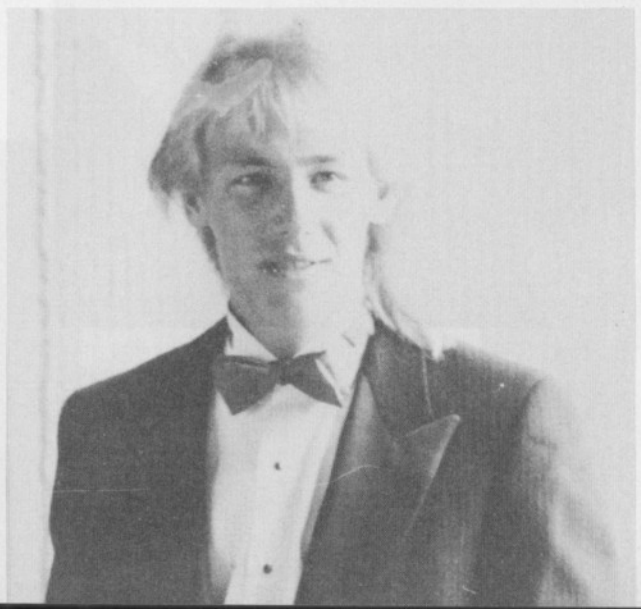


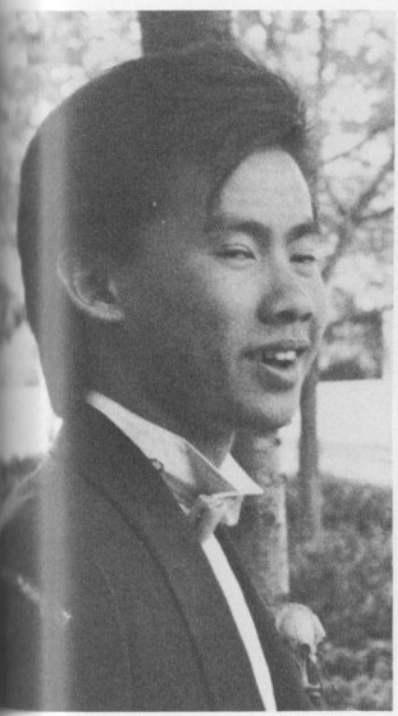


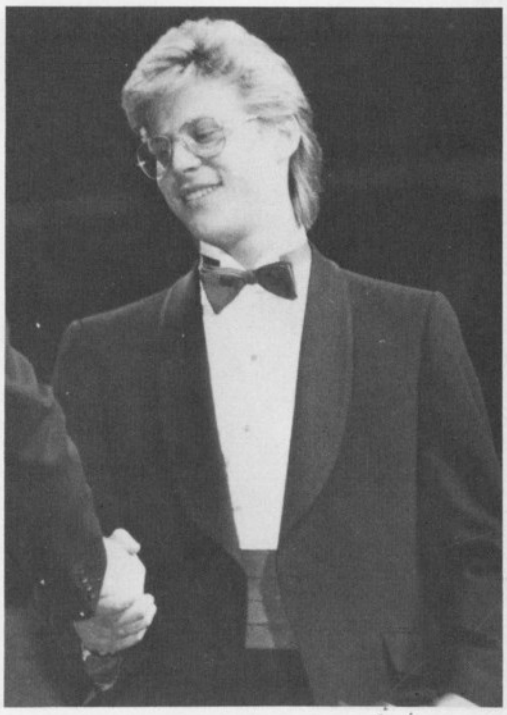


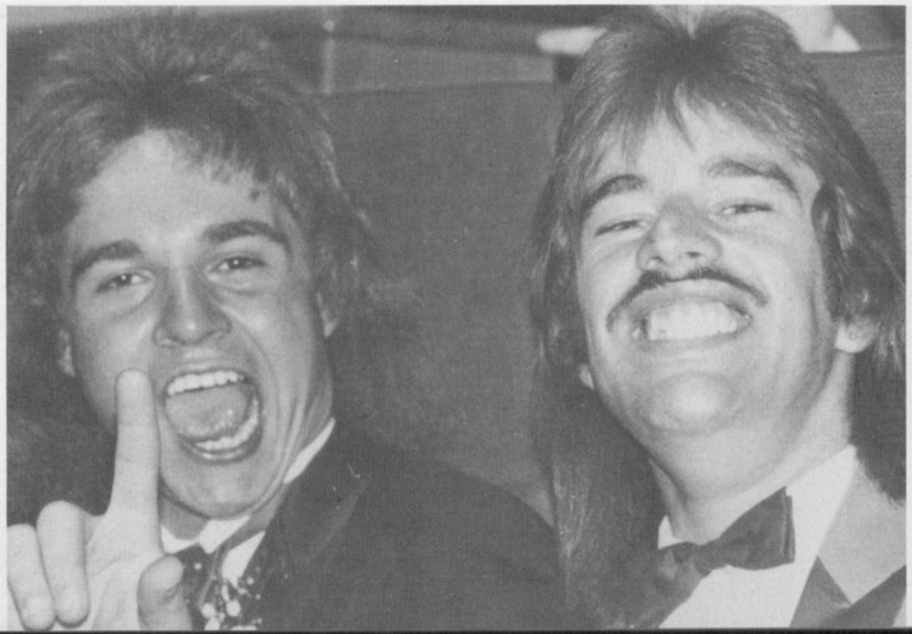


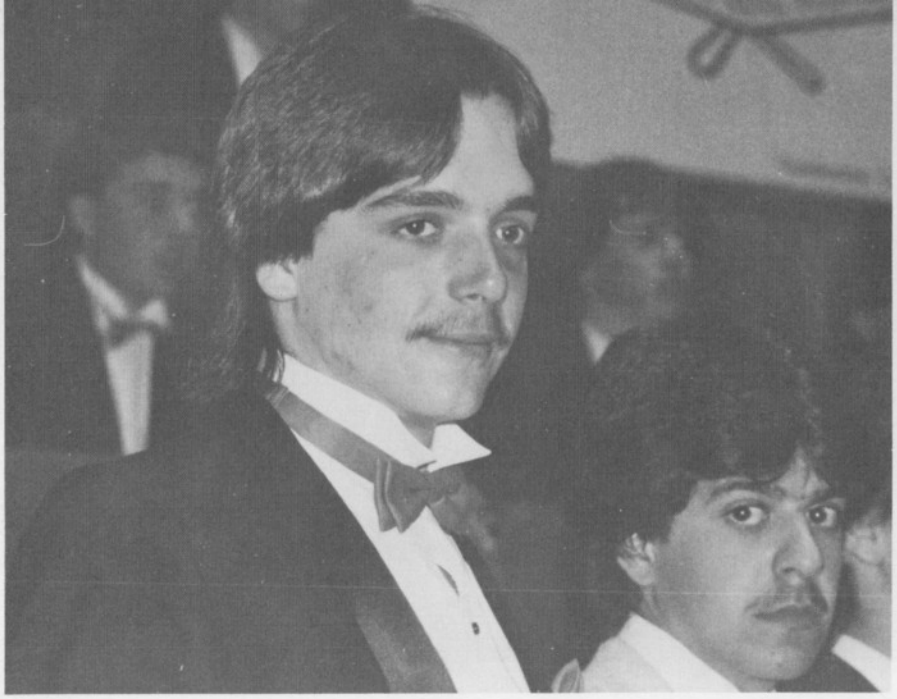


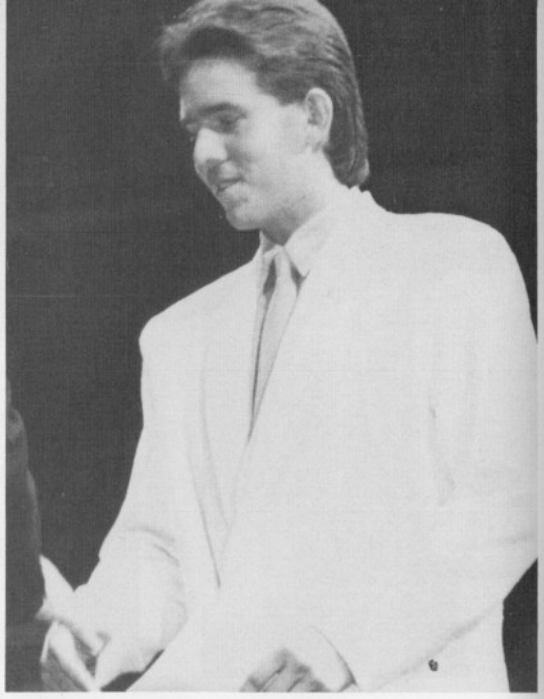


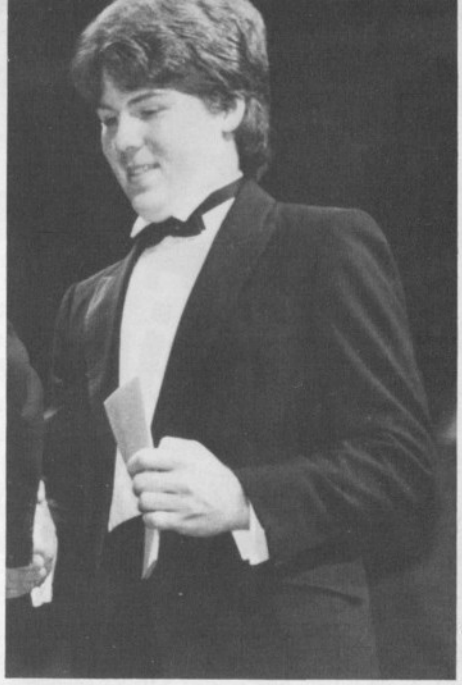


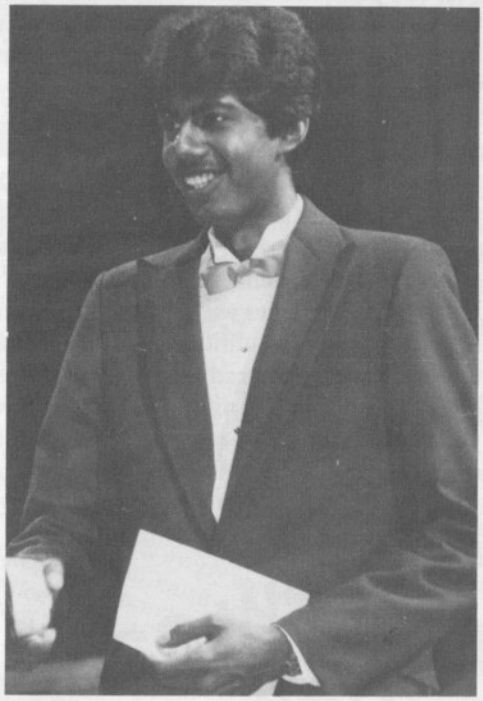


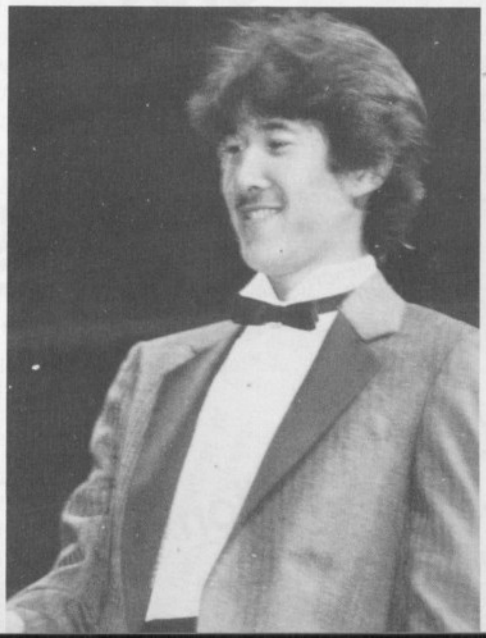


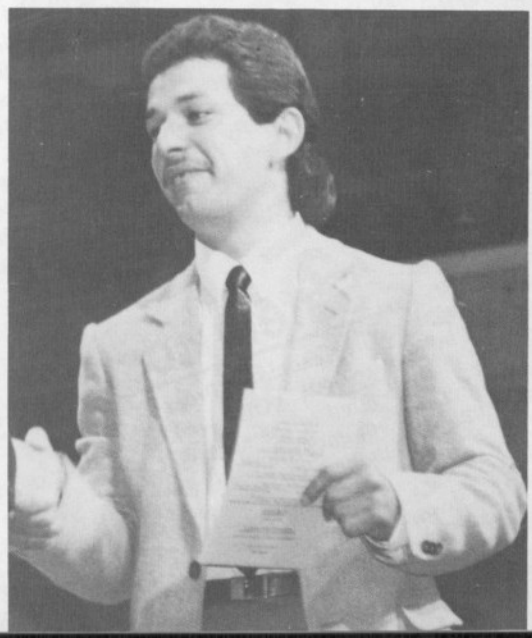












THE YEAR

Carey Schwartz **The Phillipines**

Ferdinand Marcos ruled the Phillipines by means of dictatorship for many years. This year, his regime was overthrown by a civilian revolution. Marcos and his wife embezzled untold millions from the country's treasury. They were expelled from the Phillipines and now reside in Hawaii. All assets held in their name internationally have been frozen for investigation. The Phillipines are now in the power of a democratic government led by Corizona Aquino, wife of the assasinated Benito Aquino. Aquino was killed by Marcos because he represented political opposition.

Alberto Leon and Eddie Cheng **Expo '86**

The whole world is heading to Vancouver, British Columbia for EXPO '86 — a spectacular international event!

For one hundred and sixty-five event filled days, more than eighty nations from around the world present their most outstanding achievements in transporation and communication in the heart of Canada's largest westcoast city.

EXPO '86 brings the U.S.A., the U.S.S.R., and the People's Republic of China together for the first time in North America! The 1986 World Exposition, you'll love the excitement and leave with memories to last a lifetime.

Jude Daniels and Angelo Santarosa **Bennett Resigns**

Premier Bill Bennett shocked British Columbia on Thursday, May 22, 1986 by announcing his retirement from politics after fourteen years of service to the Social Credit Party and as Premier of B.C. Bennett, insisting that a political renewal is necessary, said, "The time to have changes within a party is when things are good." Bennett says that he will keep his position until he has fully trained a qualified leader to take his place and maintain a well-balanced Socred Party. Not even Bill Bennett's family knew of his retirement, as his sister Anita Tozes said, "It was news to me," on radio. Surely much of British Columbia will miss the former Premier, yet others will miss the former Premier. Still others are satisfied about his resignation.

Soviet, Afghan troops ring key rebel base, scores die

The Associated Press

ISLAMABAD — Thousands of Soviet and Afghan government troops launched a key Marxist fundamentalist base in southeastern Afghanistan on Tuesday, and Pakistani officials said they lost scores of soldiers in the offensive.

-onomist's Split on Expo

Long-term investment seen as 'dismal failure'

The Canadian Press

VANCOUVER — Economists in British Columbia split over the long-term economic impact of Expo

the short term, their estimates of benefits range $1.1 billion to $2.75 billion. Expo 86 predicts short- nefits at $3 billion.

e economists from the B.C. Economic Policy — Charles Blackorby, Robert Picard and Mar- — released a paper Tuesday concluding be few substantial long-run benefits.

the tourism or a 30-per-cent increase in investment.

The experience in Quebec following Montreal's Expo 67, Allen said, was that tourism dropped back essentially to the same trend line as before and that there was a slight, but not tremendous, increase in investment.

"To say that there will be a huge impact (following Expo) is being overly optimistic," Allen said.

The credit union predicts a five-per-cent increase in the gross provincial product that last year was $15 billion or, as Allen said, "a couple of billion dollars, which is probably a conservative estimate."

Allen said the credit union's analysis showed $700 million coming directly from Expo and the rest made up of indirect expenditures on such things as home improvements and purchases of items such as sofa-beds in anticipation of visits by friends and family.

Among the indirect benefits, the credit union also counts the early completion of Vancouver's advanced light rapid transit system and the Coquihalla Highway as an alternative route to the southern Interior.

The institute predicts short-term benefits at $1.11 billion using a formula that includes only new expenditures in British Columbia and doesn't include the direct expenditure of $802 million by the Expo 86 Corp. and

The Lake

The early-morning mist danced over the ice-cold, crystal-clear water, creating an imagery of thousands of graceful dancers moving to some magical tune. Carelessly, I tossed a minute pebble into the mirror-like water, shattering its serenity into a hundred tiny ripples. The haunting call of a loon drifted across the vast expanse, admonishing me for committing such a crime against the tranquility of the lake. The evidence of my offense disappeared into the encroaching fog, leaving behind a placid, silver stillness.

Acceptance

Slowly the sun sank
Behind snow-capped mountains.
Twilight folded her silky arms
Over the calm and desolate beach.
Above, an eagle circled majestically
Calling out his lonely cry.
Below, waves drove themselves onto the land
Casting spray high onto the glistening rocks.

Here I sat like a king on his throne
But I did not see the pulsing life around me.
As a sick man cannot taste food,
So a lonely man cannot see beauty.
My heart cried out in this solitude,
Calling for a warmth it once knew.
Fate had stepped in and showed its heavy hand
Taking that warmth from this world forever.

That warmth is gone now
But it will be remembered.
Yes, it will always be there
With love and happiness of what was.
The sun sets,
Casting darkness across the land,
But then the moon shows its silver face
And peace comes with acceptance.

I fly through the sky, through the air, through the trees
My wings touch the clouds as I float on the breeze.

Then with grace and devotion I swoop to the ground
Seeing the beauty and beasts not yet found.

My friends are the moon and the stars up above
They keep my hopes high, and they teach me of love.

I have never missed my friend, the sun, rise
and I've seen all the beauty there is with my eyes.

The nights are so cold, yet it's comforting to know
That when I do fly, I am learning to grow.

So I spread my wings wide, and I leave from my spot
Knowing I'm gone, but forgetting it not.

Be Here Now

You sit there
Waiting, wanting, wishing
For something wonderful to happen.

Suddenly a question fills you:
What great thing
Are you waiting for?

Is it worth your time
To sit there
And waste what you already have?

No, I think not.
So let go of a dream
Which may never come.

Be there now!
